Health Occupation Careers?

Hastings Campus

Hastings Campus

Grand Island Campus

Central Community College is offering a
FREE 2-Hour class about careers in

Medical, Dental, and Occupational Therapy Assisting

You'll learn about:

- The U.S. Healthcare System and Allied Health Occupations
- Careers in Medical, Dental, & Occupational Therapy Assisting
- Personal and Professional Skill Development
- Pre-enrollment Preparation and CCC Admission Requirements for these 2-Year Health Occupation Programs

Minorities and bilingual individuals are especially encouraged to participate... the Healthcare Industry needs your skills!

If you are ready for an exciting career in the healthcare industry, this is a great opportunity for you to learn how and when you can get started.
